

My Birthday Wish

3A Wong Tsz Ho, Jay

Next month will be my birthday. I hope I will have a birthday party at KFC. I want to have a birthday party at KFC because I like eating chicken legs very much.

Before my birthday party, I will invite my good friends, Tom, May and Sam, to join my party. We will be very happy.

I hope to get a lot of presents on my birthday.

Hot

My family and I went to Australia this Christmas. We were there to celebrate Christmas and the New Year. It was a fun trip.

Yesterday, the weather was hot. We went snorkelling. It was exciting. Then, we ate a lot of good food and did a lot of fun things there. It was wonderful.
