

The Wrong Briefcase – Part 2

6A Ma Tsz Wing, Wing

'You fools! I told you to get the briefcase with the money, not the first aid kit!' shouted the bald robber at the tall robber and the short robber.

'What can we do now? Our boss is so angry with us!' said the robber with the sunglasses.

'Calm down. Maybe we can rob the First Bank this time!' suggested the robber with a ponytail.

'It's a great idea!' both of them yelled.

At the same time, the tall robber and the short robber were wanted by the police, based on the testimonies of eyewitnesses. A group of police officers were discussing how to arrest these robbers. After much discussion, they came up with a good plan.

The next day, the robber in a striped leather coat slipped into the bank and pointed a gun at the bank teller. When she saw the gun, she was so scared. She could not stop her teeth from chattering. The robbers instructed her to hand over all the cash. She followed their instructions and took all the money out.

The robbers shoved the money into a bag. While they were doing this, the police officers rushed into the bank, ready to arrest them. When the robbers saw the policemen, they were as frightened as mice. They grabbed the bag and ran off with it. They managed to escape from the police. But, when they opened the bag, there was only rubbish in the bag! They had made a big mistake again!
