

The Person I Admire

6D Chan Tsz Kiu, Annabelle

The person I admire most is Mary. She is my friend. I admire her for the following reasons.

Firstly, she is kind-hearted. She always helps people in need and donates money to help people. Secondly, she is hard-working. She always likes to do homework and read books.

Finally, I take my hat off to Mary for the way she helps people. I have learnt so much from her.

Save Us, the Endangered

6D Cheung Elaine, Lyan

Hello! I am Giant Panda. I am black and white. Some of us live in Western China and others in Southern China. I love to eat bamboo. I also eat vegetables and small rodents. Our baby pandas are called cubs. They weigh about 100 g. They are born blind, bald and toothless.

There are not many of us left in the world. Here are some reasons.

Firstly, humans keep destroying our habitats. Because of this, we have neither food nor homes. Another reason is that people kill us, so we are decreasing in number.

Please protect us and stop killing us. Thank you.
