Yesterday, Mum, Dad and I went to Sai Kung Country Park by bus.

When we arrived there, we played football. After we played football, we fished in the lake. After fishing, we had our lunch. We had such a big lunch, so we were very full and we rested for a while. Soon after, it was time to go home.

I felt glad. We had a perfect day!

### A Magic Pen

3B Wong Blair

Last night, Teddy had a dream in his bed. He saw an old man who gave him a magic pen. With this pen, he drew some food, such as noodles, some cakes, a cup of coffee and some soup. Suddenly, something happened. The food in the picture turned into real food. It was a big feast.

Then, he used the magic pen to draw a dragon. After a few minutes, the dragon turned into a real dragon. The dragon was friendly, so they became friends. Finally, Teddy woke up. It was only a dream.
