Christmas

22nd December, 2021   Cloudy

    I went to my cousin's house yesterday. First, we made a gingerbread house. I felt excited. The gingerbread house had a lot of yummy sweets on it.

    Next, we had a Christmas feast together. There were a lot of delicious food. Finally, it was the time to leave. I said goodbye to my cousin and wished them a Merry Christmas and Happy New Year. After the fun day, I felt tired but happy.
